Lee Lanchester
Jacksonville FI Branch
Foremost Safety Solutions, Inc.

Lee Lanchester of Jacksonville, Florida will be heading up a new Foremost Branch Office beginning in the Summer of 2010. Representing the company's Preplan Safety Products in the Southeastern states. Lee is a native to Beckley, West Virginia and since leaving there he has spent the last 40-years in the construction industry in Florida. His experience as a Florida Certified General Contractor in new construction, renovation and facility maintenance will ensure our Customers knowledgeable implementation of their site and architectural drawings to our system.

Lee's joining with Foremost will culminate a 21-year career with the City of Jacksonville, Florida completing his service as a Senior Project Manager. His accomplishments have included recognition as Public Works Employee Of the Year with honors bestowed by the Mayor and full City Council for exemplary service and as a proven cost saver during his tenure as the Asbestos Program Coordinator.

Lee's varied accomplishments can defiantly be found somewhere in over the 340 Parks and 420-building (6 million square feet) in the city's inventory including some he supervised complete from footings to move in.

Prior to working with the city he managed his own construction business and estimated/project managed for other prominent General Contractors completing bid and negotiated contracted work through out the southern states. He enjoyed a 20-year period successfully performing construction, renovation and specialty projects primarily for government agencies inclusive of Navy, Air Force, Corps of Engineers, Florida Air National Guard, Veterans Administration, General Service Administration, Small Business Administration, Federal Aviation Administration, NASA (Cape Kennedy), State, County, City and School Boards.
